

Rex 4

BIORUGGED SMARTPHONE

Product Description

The BioRugged Rex Android Phone was designed from the ground up to be tough, hardened and nearly indestructible but it still packs a powerful punch in a small package. The full Rex range has been upgraded to OTG and LTE capability in 2015.

With over 20 000 units deployed in the field, used in a variety of industries including delivery, KYC, customer onboarding and retail a hardened BioRugged Rex will give you piece of mind.
