

AIO7-ES

POWERFULL DESKTOP ANDROID DEVICE

Product Description

The AIO7-ES is a powerful Android desktop POS with a large 8" screen and thermal printer that operates in all mobile bands ranging from 2G to 4G. The AIO7-ES may be used in applications such as payments, electronic ticketing or visitor registration.

The AIO7-ES is an extremely versatile POS that allows high speed printing and a long working time off its large capacity battery. The incredible branding opportunities make the AIO7-ES a very powerful tool for your company's sales force.
