

BioCombo

BIORUGGED REX • USB FINGERPRINT • CARRY CASE

Product Description

The BioCombo provides a low cost, rugged option to capture fingerprints, text and portrait images.

The All-in-One Combo includes:
Rugged Android Phone with LTE, USB fingerprint scanner, charger and rugged carry case.

All Rex devices can use the BioRugged Launcher that removes the common android shell from the device replacing it with a custom launcher. In this way devices can be tracked and managed by the operator preventing the field agents to misuse data or drain the battery with unauthorized activity.
