BIOMETRIC TABLET

## Product Description

The BioWolf 7 is a secure BioMetric Android industrial grade IP 65 tablet with a high capacity battery enabling it to excel in both rural and urban areas. Over 10 000 BioWolf 7's have been supplied to the most extreme rural and remote areas in Africa, where they are used for BioMetric customer on – boarding (KYC – Know Your Customer). Over 100 000 people have registered their mobile sim card or mobile money bank account with the BioWolf 7.

The BioWolf 7 is one of the most versatile affordable FIPS201 rugged Android Tablets in the market. Over the last 4 years the BioWolf 7 has proven that it will increase your ROI and customer base in the shortest possible time frame. Contact us today to start your POC tomorrow.
