## RUGGED TERMINAL WITH PRINTER

### Product Description

The Zest is one of the most successful devices in the BioRugged portfolio since it incorporates a printer in a rugged design terminal and therefore creates the perfect terminal for logistics companies, mobile operators and service providers. It delivers full connectivity capabilities on a 5.5" touch screen and with a high quality camera.

The Zest is a highly versatile device combining ruggedness with the ease of use, reliability and high speed printing that only terminals from BioRugged can deliver. The Zest will make a remarkable positive change to any company's mobile sales force
